MARCH PRICE INCREASES.

Dear customer,

Given the current market conditions we know how important it is that you are provided with advanced notice of any significant supplier price increases. We are therefore advising you of some price increases on products that you have purchased previously.

As always, we are working hard behind the scenes to minimise these price increases but we wanted to let you know the current projected increases to allow you to plan accordingly. These increases will come into effect on March 1st 2022.

Product Category	Price Increase
Access covers and linear drainage	3 – 12%
Steel Lintels	8 – 10%
Roof Tiles	4 – 13.3%
Roofing Ventilation	9.3%
Roofing membranes	7%
PHS Heating	5%

Please note, the above increases do not apply to all products within the categories and only highlight the most relevant price increases.

Why we're increasing our prices.

Increases in raw material prices due to greater demand and material shortages continue to be the main challenge for our suppliers. This is particularly the case for products containing steel and zinc. Supplier costs are also being impacted by the higher packaging and labour costs which impact their overall cost of production. Lastly, our suppliers note that there are increased costs of importing materials into the UK due to the current shortage of sea freight.

Keeping up to date.

To keep up to date with any other price increases and product availability, please visit our dedicated supplier updates page here: www.jewson.co.uk/supplier-updates

If you'd like to talk to us about anything we've included within this letter, please get in touch with your local branch.

We look forward to continuing to work with you.

Yours Sincerely,
Jewson
