# FEBRUARY PRICE INCREASES.

Dear customer,

Given the current market conditions we know how important it is that you are provided with advanced notice of any significant price changes. We are therefore advising you of some price increases on products that are planned to come into effect on February 1st 2023.

As always, we are working hard behind the scenes with our suppliers to minimise all increases but we wanted to let you know the current projected increases to allow you to plan accordingly.

<b>Product Category</b>	<b>Price Increase</b>
Roof windows and accessories	Up to 8%
Drainage, Rainwater and Soil & Waste	Up to 6.8%
Cement Fibre Cladding	Up to 10%
External Render Systems	Up to 25%

Please note, the above increases do not apply to all products within the categories and only highlight the most relevant price increases.

## **Why we're increasing our prices.**

Our suppliers are unfortunately continuing to experience significant price inflationary pressures across most areas within their business. Most of these increased costs continue to be the results of increased everyday costs (including packaging or transport). However, many suppliers are also noting the pressures they are facing as a result of increased energy costs as a main reason for their increases.

## **Profit Checker.**

Using the Build Aviator estimating service not only saves you time and helps you win more work but also ensure you stay on budget through the build. Once you've won the job after using Build Aviator the Build Kick-Off process begins for free. Closer to the build start date, Build Aviator will make sure any new information is put into the new estimate and update it with the latest material prices so you can see any difference in profit. A comparison report detailing this will be generated to help you have that conversation with your client.

## **Keeping up to date.**

To keep up to date with any other price increases and product availability, please visit our dedicated supplier updates page here: [www.jewson.co.uk/supplier-updates](http://www.jewson.co.uk/supplier-updates)

If you'd like to talk to us about anything we've included within this letter, please get in touch with your local branch.

We look forward to continuing to work with you.

Yours Sincerely,
